IFF Scholarship Fund Criteria

Every candidate must submit the information listed below by May 1st for consideration.

All awards must be accepted by signing and returning the Terms of Award Letter included in the Award package. It is the recipient's responsibility to return the Terms of Award letter by the stated deadline. If the *Terms of Award Letter* is not received the recipient will be notified that the scholarship award will be rescinded.

The amount of the award will be determined after all applicants are received and evaluated.

Checks are made payable to the college for the benefit of the student and may be applied to the total cost of attendance at that school. Before payment is received student must confirm enrollment in first semester and as soon as viable provide Student ID #.
