DIRECTOR EVALUATION PROCESS

Tori handed out a draft Director Evaluation Matrix form to the Board members. Quixada described what the new evaluation process will look like for both Bobby and the Board. The full process will start next academic year with an abbreviated version for this year's evaluation. The data required is quite robust and would require systems being put into place by the Admin Team. The process would go from March to March. She explained the categories that include fiscal leadership, academic experience, buildings and grounds, school climate and culture, local partnerships and CTE field leadership in Maine and beyond. The final part of the evaluation is the setting of annual goals. Bobby would set his annual goals in June of each year. In March of next year, each board member would receive a packet of information

(data) and then the Board would discuss at the April board meeting. Score sheets would be completed by each board member and compiled by the Board Chair for the April meeting. This year, Bobby will do a slide for each category for the May board meeting. Bobby will then come back with goals for the upcoming year. Taylor asked about the time frame, March to March, and the rationale. Bobby acknowledged there will be some straddling between two school years in this process. Tori felt that the data being compiled will be extremely informative and also help evaluate what is happening in the school as a whole. Taylor praised Tori and Quixada for their work on this new method. Danny felt the evaluation documents do not belong in the Board policy. Loren advocated for the document to be reinforced in a policy. A straw vote of the board showed all board members are in favor of this process.

MOTION by Pearce, seconded by White, to approve first reading of Policies CBI – Evaluation of the Director (Revised) and GBGE – Return to Work and Light Duty Assignments (Revised) with one revision to Policy CBI

Danny felt the policy should state that June should be the deadline in item 8 in the policy. Loren asked if policy setting is in state law. Bob advised the Board that the second reading of Policy CBI will be prior to the Executive Session on the evaluation process. Tori advised the Board will receive updated evaluation documentation before the next Board meeting.

Our National Technical Honor Society annual induction ceremony is May 15th at Owls Head Transportation Museum (OHTM). The annual student recognition ceremony is also at OHTM on May 29th. Fundraising

efforts continue for each SkillsUSA student – each one has to raise approximately \$2,100. Next week is Teacher Appreciation Week and Bobby commented on our teacher's dedication. Loren asked Bobby if our school has a student absenteeism issue. Taylor asked if our programs are full for next year. Our Osprey Nest Café is in week 4 and going extremely well.
